

Priya Reddy

Data Scientist

priya.reddy@gmail.com | +91 9123456780 | linkedin.com/in/priyareddy

Professional Summary

Data Scientist skilled in Python, SQL, Data Analysis, Machine Learning, and Dashboard Development. Experienced in handling large datasets and creating AI-powered analytical solutions.

Technical Skills

Python, SQL, Machine Learning, Pandas, NumPy, Power BI, Streamlit, AWS, Git

Experience

- Built customer churn prediction model.
- Created Power BI dashboards for analytics.
- Performed large-scale data preprocessing.

Projects

- Sales Forecasting Dashboard
- Customer Churn Prediction
- AI Analytics Dashboard

Education

Bachelor of Technology in Computer Science Engineering

XYZ Institute of Technology | 2021 - 2025

Certifications

Machine Learning with Python, Deep Learning Fundamentals, NLP Essentials
